**Strength:-** Well qualified staff and well equipped department (with departmental library ,computers) desktop ,laptop ,LCD, Projecter a three in one printer, scanner and photocopier bears a good academic record and is a well established research centre.

**Weakness:-** Lack of adequate staff according to the workload of the department and need of separate dept as it is shared with the

department of english. Lack of research cabins and seminar hall for conducting class seminars in the department.

**Opportunities:-** A well equipped Central Library and Departmental library as well as the department provides the facility to the staff members as well as the students to enhance their capabilities and progress academically and achieve success

**Challenges:-** Extra work load due to inadequate teaching staff as well as no provision of academic support staff (technical ) and administrative staff for the department is a major constraint Lack of a separate department and separate rooms /cabins for faculty members in order to study and do research work are also a hindrance in thier progress.

**Future plans :-** To make efforts to fill the sanctioned numbers of teaching posts , to have humanities in the college at UG level i.e. BA so that there is more input for PG Courses . To make efforts for the provision of academic support staff (technical ) and administrative staff for the department. To undertake Social & Extension activities at the PG level for the students .
